CONTENTS	
RESEARCH ARTICLE	PAGE
Antioxidant and antibacterial activity of root extracts of Licorice (<i>Glycyrrhiza glabra</i>) Avnish Kumar, Monika Asthana, Preeti Singh, Meenu Katoch, Prabhu Dutt, Sarika Amdekar, Udit Gubrelay, and Rajendra Sharma	1-12
Phytochemical composition and anti-oxidant properties of <i>Dialium ovoideumthwaites</i> (Gal Siyambala) leaves V.P. Bulugahapitiya, T.N. Rathnaweera and H.C. Manawadu	13-19
Variation of shoot regeneration capacity of cuttings of selected <i>Cinnamomum verum</i> genotypes M. R. Prathibhani, R. Azad and S. Geekiyanage	20-24
Effects of pyroligneous acids (wood vinegar) produced from different wood species on vegetative growth of eggplant (<i>Solanum melongena</i> L.) B. P. Siriwardena, S. Subasinghe, N. P. Vidanapathirana, H. K. M. S. Kumarasingha, and T. G. B. Dhanushka	25-29
Morpho-physiological and yield characteristics of interspecific hybrids between cultivated eggplant (<i>Solanum melongena</i> L.) and wild relatives in response to drought stress GKMMK Ranaweera, RM Fonseka & H Fonseka	30-37
Evaluation of fruit characteristics of <i>Elaeagnus latifolia</i> L. in north eastern hill regions, India H. Rymbai, N. A. Deshmukh, H. D. Talang, S.R. Assumi, M.B. Devi, J. Mawlein and A. K. Jha	38-42
Propagation of <i>Bauhinia kockiana</i> Korth through stem cuttings as affected by maturity stage of cuttings and different biofertilizers W U L Ambagaspitiya, S L Nawarathna, P I Yapa and S A Krishnarajah	43-49
Effect of gamma radiation on survival rate of <i>Allamanda cathartica</i> – An indigenous medicinal plant L. M. Rifnas, N. P. Vidanapathirana, T. D. Silva, N. Dahanayake, S. S. Weerasinghe and S. Subasinghe	50-53
